

My Zombie Hula Girl

Words & Music by Jack Pitman & Bob Magoon, 1953

Vamp: D⁷ G⁷ C

C D⁷
You'll always find her by the seashore
G⁷ C
Stumbling along without a care.
D⁷
She has a smile for all the zombies
G⁷ C
With a hibiscus in her hair.

[chorus]
C G⁷
My zombie hula girl, my zombie hula girl
(G⁺) C
I know that always, always, I'll love you.
G⁷
My zombie hula girl, my zombie hula girl,
(G⁺) C
I know that always, always, I'll be true.

C D⁷
And when the sea is dark and stormy,
G⁷ C
Out in the surf you'll find her there.
D⁷
She's eating brains on a surfboard
G⁷ C
With a hibiscus in her hair.

C D⁷
And ev'ry evening in the moonlight,
G⁷ C
Tropical music fills the air.
D⁷
She kills the beach boys in the moonlight
G⁷ C
With a hibiscus in her hair

C D⁷
You're all invited to the graveyard,
G⁷ C
Back to the hula zombie lair.
D⁷
She'll promise to be mine forever
G⁷ C
With a hibiscus in her hair.
